

Teams/Skill-Levels For Best of the Rest Tournament

NOTES: (1) Skill level for each player is the SL that existed as of the day we ran this report (June 14, 2022) in the respective format of the qualified team. (2) Names on the Best of the Rest roster are members who were on the SPRING 2022 team (that is, the session that ran from January thru April). Only members who played 6 or more times in that Spring 2022 session are eligible.

REMINDER REGARDING FORMAT: This is a FUN, no-pressure format! Scotch Triples. Maximum combined SL of 15 for the 3 players who shoot in any given round (with only one SL6 or higher during each round). Once play starts, handicap isn't a factor. It's just a race to 3 racks (best out of 5). Modified single elimination, guaranteeing each team plays twice. Winner of lag gets to break & decide which format to play 1st - 8-Ball or 9-Ball - alternate between 8-Ball & 9-Ball rack to rack.
