Tournament Rules – Coach's

Entry Fee = free

Winning team gets all their weekly dues paid for in the Summer 2023 session, compliments of Coach's.

1. Sign in at 10am. Doors open at 9am.
2. Tournament will be run just like league night, except 3 people play per round (instead of 5 like on league night).
3. The 3 people you play during one round can change during later rounds. That's up to you.
4. Max skill level for the 3 people you play in any given round is 15 with only one SL6 max or above allowed to play per round.
5. Anyone on your spring 2023 roster or summer 2023 roster for this team can play (assuming each player has played at least 6 lifetime matches in the APA). Skill levels as of 4/26/23 for the team you are representing will be used. See next page for list of teams/players/skill levels.
6. 9-Ball during the first round (down the middle of the board) and on all matches on the loser's side of the board. 8-Ball on the winner's side of the board. Refer to the stickers on the tournament board for a reminder regarding which game you are playing in each round.
7. Official APA scoresheets will be used. Everything is the same as regular league night (games must win chart for 8-Ball, and balls required to made in 9-Ball).
8. Format = modified single elimination (just like all APA tournaments). This guarantees every team gets to play twice (but not necessarily lose twice).
9. One total time-out per rack regardless of skill level. Limit time-outs to one minute on average.
10. See next page for rosters and skill levels used for this event.
